GLENDALE—
The CITY of HOMES

VOL. XV

GLENDALE, (LOS ANGELES POSTOFFICE), LOS ANGELES COUNTY, CAL., TUESDAY, MARCH 30, 1920

177

COULDN'T STAY AWAY

MR. AND MRS. GEORGE LARKIN
RETURN TO GLENDALE AND
BUY BANCROFT HOME

Mr. and Mrs. Leigh Bancroft have sold their home at 1417 South Brand Boulevard to Mr. and Mrs. George Larkin who have returned to Glendale after an absence. They left here about eight months ago after a residence of a year and a half and have pined for the little city ever since. They declare it is the prettiest residence town they have ever seen and they hope never to have to leave it again. Mr. Larkin is a scenario writer, a member of the Authors' League of America. He is planning to become a producer and stage his own plays. He was connected with the Astra Studio when here before and had a large and fine aviary, as birds are a great hobby of his. Already he is planning another aviary in connection with his home to contain many sorts of unusual and beautiful birds. He and Mrs. Larkin are very much in love with their new home.

Mr. and Mrs. Leigh Bancroft will be guests of Mrs. Annie Bancroft on Laurel Avenue for a week or ten days and will then go north for a business trip to the bay cities, and may be gone for two or three months.

STOLE A MARCH

FRANK BERRY AND MYRTLE
COX SURPRISE RELATIVES BY
MARRIAGE ON WAY HOME

Mrs. J. H. Springer of 237 South Orange received a letter Sunday from her cousin, who had been her guest from last August until about March 1. She was then Miss Myrtle Cox and her home was in Bosworth, Mo. She started for home, it was supposed, and E. F. Berry, a distant cousin, who was summoned here from Spokane, Wash., several weeks before by the fatal illness of his mother, was to accompany her a part of the way and then go on to his own home. But the blind god had been at work and Frank Berry, confirmed bachelor as he was deemed to be, quickly succumbed to his darts, as did the lady, too. When they left none of the relatives had any inkling of their plans, which, it was learned later, contemplated an immediate marriage. So the knot was tied at San Francisco and they proceeded on to Spokane, where they at once went to housekeeping. They write that they are getting along very nicely and Frank says home cooking beats restaurant grub.

BEACH TRIP FOR ELGIN GUEST

Dr. and Mrs. T. C. Young and Mr. and Mrs. A. L. Baird headed a party which motored to Venice Monday night and spent the evening in dancing. The guest of honor was Fred Johnson of Elgin, Ill., who is leaving today for his Illinois home. Others in the group were Mr. and Mrs. W. W. Worley, Dr. and Mrs. Leslie Eames, Dr. and Mrs. Rankin, Dr. and Mrs. Stacy, and Mr. and Mrs. Voss of Los Angeles. Mr. Johnson was quite worried by the reports of tornado damage in Elgin, but received telegrams yesterday from his family assuring him of their safety and well being.

PLEASANT BUSINESS TRIP

Attorney and Mrs. James F. McBryde returned late Monday afternoon from a successful trip to Bakersfield and vicinity, in which they combined both business and pleasure. They drove through snow on the mountains, and after getting into the valley near Bakersfield the boulevard was lined for miles and miles with California poppies and wild Lupins, making a lovely picture.

BONDS UNSALABLE

NEW ELECTION FOR WATER
BONDS MAY BE NECESSARY
TO RAISE INTEREST RATE

The fact that the City of Glendale has received no bids for the municipal water bonds recently advertised for sale has brought the Board of City Trustees up against quite a serious proposition because under the law the bonds can not be sold below par and the trustees are advised that in the present condition of the money market there is no sale for five per cent bonds. They must therefore determine whether to hold the bonds for a time to await possible improvement in the bond market, or to have another election and vote bonds at a higher rate of interest which can be marketed.

DO NOT TRIM TREES

FORESTER WARNS AGAINST
THIS PRACTICE, WHICH HE
SAYS IS ILLEGAL

City Forester Marek is much concerned over the destruction of trees he has set out in the parkways, many of which have been destroyed by well-intentioned householders, who think the trees need trimming and proceed to do it, in defiance of all rules of tree culture. He has set out more than 6000 trees during the last few months and is giving them his personal attention. He says the idea that some people have that the sap coming up from the roots nourishes the tree is erroneous. This sap must first be digested as it were, by the leaves, then it goes back down the tree and feeds it with the life-giving current. Therefore, the more leaves the young tree has the more completely it is nourished. Young trees should not be trimmed, no matter how low the branches put out. When they get older and are strong from the vigorous, unhampered growth of the first few years, then they can be pruned and trimmed and made to assume the desired shape.

Therefore Mr. Marek insists on "hands off the young trees." It is positively against a city ordinance for any one but him or his assistants to trim a single branch from any parkway tree, without a permit from his office. If any citizen thinks a tree on his parkway needs trimming he should notify the City Forester, who will look after it just as soon as he can get around to it. But he earnestly warns all to keep their hands off the trees, not only because it is against the law to trim them, but because their violation of this law means the death or stunting of the trees.

PLAYERS' CLUB

OFFICIAL VACANCIES FILLED
AT REGULAR MEETING AND
ANNOUNCEMENTS MADE

Members of the Players' Club of Glendale held their regular meeting last Friday evening and transacted considerable business.

The resignation of D. N. Wemyss as recording secretary was accepted with regret and R. E. Downing was elected to serve in his place. The president, Mr. Green, read to the club a draft of the new by-laws he had prepared. These are being taken under consideration and will be voted upon at the next club meeting.

A financial report was submitted by the treasurer which included receipts from the Irish musical. The dramatic section, of which Miss Nellie Mae Williams is chairman, announced interesting plans in the carrying out of which Mrs. A. H. Montgomery will assist. The chairman of the music section, Miss Ina Whitaker, announced that the section had agreed to furnish a program for the Woman's Guild Bazaar to be held the early part of April. Other plans were referred to which are not sufficiently advanced for publication.

Announcement was also made that the next regular entertainment of the club will take place the third week in April and hostesses were appointed as follows: Mesdames Eustace Young, H. H. Farries, Helen Campbell and R. E. Downing. The tennis chairman being absent, no report from that section was turned in.

PRE-NUPTIAL SHOWER

MEMBERS OF YOUNG LADIES' IN-
STITUTE SURPRISES MISS
BRENNAN

Miss Margaret Mary Brennan, who is to become the bride of Jesse Smith one week from tomorrow, was properly surprised when between 20 and 25 of her fellow members in the Young Ladies' Institute appeared at the home of her brother, M. J. Brennan, on North Central Avenue Monday evening prepared to make her the guest of honor at a social evening and the recipient of a miscellaneous shower. Music and games entertained the company until a little toy automobile made its appearance laden with gifts. There was no formal presentation and if there had been Miss Brennan was too surprised to have responded with a speech. An entertainment committee served the refreshments which had been provided, in cafeteria style, and the party was brought to a jolly conclusion after the many beautiful presents which Miss Brennan received had been unwrapped and admired.

DRASTIC ACTION BY DENMARK'S KING

REFUSAL TO REINSTATE CABINET SAID TO BE CAUSED BY
INDIFFERENCE OF GOVERNMENT

(Special Service to Glendale Evening News)
COPENHAGEN, March 30.—King Christian announced today that he would not reinstate the cabinet of Premier Vahle as demanded by the socialists. A general strike was threatened by the socialists for tonight unless the Vahl ministry was reinstated. The socialists have characterized the king's action as arbitrary and dictatorial.

RECONSTRUCTION IN PROGRESS

CARPENTERS AND LABORERS BEING RUSHED TO THE
TORNADO DEVASTATED DISTRICTS

(Special Service to Glendale Evening News)
CHICAGO, March 30.—The middle west today began rebuilding whole communities, business centers and residence districts wrecked by tornadoes which swept across northern Missouri, Illinois, Michigan, Indiana, Ohio and Wisconsin Sunday taking a toll of nearly one hundred lives and injuring nearly 400. The property damage in the six states was estimated at more than \$10,000,000.

The national guards continued to patrol the stricken areas. No looting has been reported, the guard officers said.

SUSPENDED SOCIALISTS

MAJORITY REPORT ON UNSEATED MEMBERS SUBMITTED
TO ALBANY LEGISLATURE

(Special Service to Glendale Evening News)
ALBANY, N. Y., March 30.—Five suspended socialist members of the New York Assembly were declared disloyal and unworthy of their seats in a majority report of the judiciary committee filed today. A minority report filed by William S. Evans, one of the thirteen members of the committee, states that while the five suspended have been proved disloyal, the assembly has no constitutional right to prescribe loyalty as a test of eligibility for its members and urges that they be re-seated. The majority report recommended that the assembly vote to declare vacant the seats of the five men. It holds that all charges made against them on the opening day of the session have been fully sustained; that the socialist party has been proved to be an advocate of force and violence for the overthrow of the United States government, and that American socialists are in full accord and sympathy with the Russian soviet government. Further, the majority report urges legislation which would in effect prevent the socialist party from occupying a place on the official ballot.

MILLIONAIRE EVADES DRAFT

GROVER CLEVELAND BERGDALL FOUND GUILTY AND
SENTENCED TO FIVE YEARS IN PRISON

(Special Service to Glendale Evening News)
NEW YORK, March 30.—Grover Cleveland Bergdall, a Philadelphia millionaire, was found guilty on charges of evading the draft, it was announced today at Governor's Island, and he was sentenced to serve five years in the military jail at Governor's Island. He will forfeit all pay and be dishonorably discharged from the army and will lose his citizenship.

WAGE INCREASE TO COAL MINERS

(Special Service to Glendale Evening News)
NEW YORK, March 30.—Messages were sent to union locals of bituminous coal miners today informing them that their national officers had agreed to accept a wage increase of 27 per cent as recommended by President Wilson's coal commission. The increase becomes effective April 1st. As the miners received an increase of 14 per cent following their strike last November, the net raise under the new schedule will be 13 per cent.

EXCITEMENT OVER LOST BOY

There was considerable excitement in the vicinity of 355 Oak St. yesterday afternoon when Mrs. Kendall, living at that number, missed her two-year-old baby boy, who had gone out, clad in his rompers, to play. Visions of kidnapping swam before the mother's eyes and she hastily notified the police, while she and some of the neighbors searched the nearby streets. The little fellow was finally found in a store near Brand and Broadway, to which he had wandered all by himself.

PUPILS' RECITAL

A very interesting recital of the younger piano pupils of Mrs. A. Belle Johnson took place at her home, 126 North Isabel Street, Sunday afternoon. The object of the little function was to give them experience in playing before other pupils and before parents and friends. About thirty were present to constitute an interested and sympathetic audience. The pupils were Virginia Kimlin, Margaret Johnson

and Arthur Roycroft. Each gave two piano solos and Margaret Johnson and Virginia Kimlin each played in duet with Mrs. Johnson. Little Phillis Kimlin, five years old, who was a guest, also contributed a song to the program. Virginia Kimlin read: "What Judy Juggs Did," and Mrs. Johnson gave an entertaining chalk talk.

MUCH TRAVEL TO AND FROM GLENDALE

Glendale's P. E. time card calls for 64 cars or trains a day, into and from Los Angeles, including those on the Burbank line. This is 26 a day more than Long Beach has. We have 15 and 20-minute service during the day and half hour service at night while Long Beach has half-hour service almost the entire day. Even with this schedule for Glendale, the cars during the rush hours, morning and evening, have standing room only. This speaks volumes for Glendale as a busy city, as there is a great amount of auto travel besides.

FIRST BIRTHDAY CAKE

NOVEL EXPERIENCE FOR PROF.
LARKIN AT DINNER GIVEN
BY MR. AND MRS. BRALY

Mr. and Mrs. John Hyde Braly were host and hostess at a pleasant function which took place at their home Monday evening when Prof. Edgar Lucien Larkin, Director of Mount Lowe Observatory, was entertained at a dinner in celebration of his seventy-third birthday. Covers were also laid for Mr. and Mrs. Arthur Braly of Pasadena and Miss Rosemary Button of Glendale. A feature of the feast was a handsome birthday cake decorated with the initials of the honoree who pronounced it an altogether novel experience, being the first birthday cake he had ever received in the course of his long life.

Following the dinner he entertained the company with a talk on Egyptology, a subject in which he has been intensely interested from early boyhood and on which he specializes. His work as an astronomer has made him learned in the sciences which have contributed to a knowledge of the heavenly bodies. The following taken from one of his lectures is an interesting exposition of electrons, or units of electricity:

There surely is a mighty mental director behind all physical phenomena in the universe. This is made apparent by critical research in the action of electrons. These are absolute units of electricity; and their dimensions are so minute that there is no use in trying to think of how minute they are. According to the man who isolated and weighed one of them, the diameter of an electron is such that a row of (Continued on Page 4)

Y. W. C. A. RETURNS

LOCAL QUOTA NEARLY DOUBLED
AND MANY FRIENDS
MADE FOR ORGANIZATION

The drive of the Y. W. C. A. recently put over in Glendale as in other parts of the country yielded results highly satisfactory to the promoters and all concerned. The amount asked for from the community in the list of quotas was a very modest sum, only about \$300, the total quota for the county being but \$5000, but the sum actually realized from the canvass here was \$540, or nearly double the quota.

The main purpose of the movement, however, was to make friends for the organization and educate the public in the varieties of work it is doing; to demonstrate what its accomplishments have been to the end that the public may lend a hand in days to come. This purpose has been realized and a far better knowledge of the aims and forms of Y. W. C. A. work exists in the public mind than ever before.

Mrs. Charles H. Toll was chairman of the southern district and Mesdames A. W. Tower and E. L. Young headed the committee of 20 appointed for Glendale. A portion of the funds realized from the drive will be used for local work within the county and the balance for national work which will include the maintenance of organizations started abroad where there was an urgent appeal for them.

ENTHUSIASTIC BOOSTERS

Among the new comers in Glendale are Mr. and Mrs. George C. Harris who came from Memphis, Tenn., and who have bought property at 1268 Mariposa Street, the former home of George Bridge. They chose our city after making quite thorough tours of inspection of Hollywood and other suburbs of Los Angeles and satisfying themselves that Glendale was best of all. They have been living in their new home since the third of February and have become great boosters. They are trying now to induce their friends, Mr. and Mrs. Lee D. Childers, who recently visited them, to rearrange their affairs so they, too, can come here to live. The Childers are very favorably impressed with the city.

MRS. DANFORD INJURED

Mrs. J. C. Danford, City Librarian, is recuperating from injuries received in a slight gas explosion Sunday afternoon. The gas was accidentally turned onto the oven without being lighted and when the oven door was opened the escaping gas ignited from the top burners. Mrs. Danford's hair was slightly singed and she suffered minor burns about the face which will need care for a few days.

SMITH-BRENNAN

MARRIAGE OF POPULAR AUTO
MAN AND CHICAGO GIRL
TO OCCUR THE 7TH

On Sunday at the Holy Family Catholic Church were published for the second time bans for the marriage of Jesse Smith and Margaret Mary Brennan. It is to be quietly celebrated at the church Wednesday, April 7th, at 8 o'clock in the morning. Rev. James O'Neill officiating, and only relatives of the contracting parties and a few intimate friends being present. The bride, who is a sister of M. J. Brennan of 519 North Central Avenue, and who has been making her home with him ever since she came to California about a year ago, from Chicago, will be attended by Miss Alice Wright of Los Angeles. H. F. McPherson will act as best man.

The prospective bridegroom has had the local Ford Agency for a number of years and has a host of friends among the young people of the city and his business associates. He has just leased the property of Frank S. Chase at 411 Fairview Avenue which Mr. Chase and his family have just vacated, and he considers himself in luck to find a house to move into.

Miss Brennan has made many friends during her residence here and will be welcomed in the circle of young matrons.

GUESTS IN SAYRE HOME

Mr. and Mrs. H. N. Sayre have been entertaining Mr. and Mrs. A. H. de Gaston of Sacramento for the past week. They have been in Glendale a good deal in the past and have many friends here. Miss Pauline Hauck of Lincoln, Neb., has also been their guest. Sunday night their guest list was swelled to 26 by a group of friends from Los Angeles who came in to spend the evening, which proved a delightful social occasion.

Miss Viola Sayre has returned to her studio in Chicago from Florida, where she has been for several months executing orders. She is expected to return to Glendale in July. Miss Clara Sayre is now associated with Miss Vesey in conducting the Glendale Commercial School, which the two ladies recently acquired.

BOILING CLOTHES IN GASOLINE STARTS FIRE

An alarm of fire sent engines 1 and 3 hurrying to 324 South Adams, where it was found that Mrs. Enochson had been boiling some clothes in gasoline on her gas stove, when the gasoline caught fire and flamed up against the hood, making it seem like the ceiling was all ablaze. With great presence of mind Mrs. Enochson seized a wool blanket and threw it over the flames, smothering them out before the firemen arrived.

CALLED TO BOSTON

Miss Anna Morgan of Boston, Mass., daughter of Mr. and Mrs. T. J. Morgan of 522 West Harvard St., who has been their guest this winter, left Sunday night for the Atlantic coast. She had expected to return by way of the north, visiting friends at Tacoma en route, but was summoned by telegram to Boston and so cut out the northern trip. She conducts an advertising business there known as "Morgan's Boston List." Her plans include a return to Glendale to spend next winter with her parents.

FOUR OF A KIND

QUARTETTE OF "CHARLES H.
TOLLS" ENTERTAINED AT
FAMILY DINNER

Monday night at the home of Charles H. Toll on Kenneth Road, relatives were entertained with a dinner at which covers were laid for four persons bearing the name of "Charles H. Toll," and two bore the name "Mrs. Charles H. Toll." The party included Charles H. Toll, who is professor of history, philosophy and psychology at Amherst, Mass. Following strenuous work he is enjoying a sabbatical year of rest, a portion of which has been spent here. With his wife and son, Charles H. Toll, Jr., known as "Charley," will leave next month for Honolulu. His mother, Mrs. Charles H. Toll of Denver, has been a guest in his home since he came to California and she was a guest at the dinner Monday night. The host at the dinner, Charles H. Toll of Kenneth Road, was designated by his wife as "Charles," and their son, Charles H. Toll, is known as "Hubert."

SUBSCRIPTION RATE—Single Copy, 5 Cents; One Year, \$5.00; Six Months, \$2.75; Three Months, \$1.40; Two Months, \$1.00; One Month, 60c

GLENDALE, CALIFORNIA, TUESDAY, MARCH 30, 1920.

SPEED MANIACS TO BE DEPRIVED OF DRIVING LICENSES

Judge Lowe says that while arrests for violations of the traffic laws are decreasing, there are yet many flagrant instances of excessive speeding. One prominent citizen of Glendale told him he had almost quit taking his machine out of the garage, as it was positively unsafe to drive along the public highways, so reckless are some of the speeders. Judge Lowe says he is seriously considering depriving people arrested for speeding of their licenses thus compelling them to refrain entirely from driving a car for a term of months.

While there are evidences of a slackening up of the building of houses by contractors for future sale, there is no let down in the demand for materials, as many families are living in garages temporarily waiting for a lull in building to begin the construction of real homes.

ANNOUNCEMENTS

NOTICE

To Whom It May Concern:
The Northwestern National Insurance Company's automobile insurance policies numbers 19044 to 19050 inclusive and automobile certificates No. 3 to 25 inclusive of the Glendale, California Agency of this Company, formerly represented by J. Secretary.

CHRISTIAN CHURCH

Evangelist Clayton C. Root will preach tonight on the question, "Where Shall I Spend Eternity?" Meetings each night this week except Saturday. Baptismal services tomorrow night.

CLIFFORD A. COLE,
Minister.

THE SPIRIT OF MEMORIALS

As the spring blossoms into summer, we feel, some of us, the absence of those dear ones who have passed to "the beyond." We miss their kindnesses, their caresses. Ought we not give actual expression to the loving remembrance in which they are held? We cannot honor our loved ones more effectively than by erecting a monument or marker properly carved, as a lasting tribute to our affection for them.

Easter markers can be had by placing your order at once with Glendale Monument Works, H. J. Reinhard, Proprietor, 1411 S. San Fernando Boulevard, near Forest Lawn. Phone Glendale 1246 or residence, 742-W.

Miss Emma McGrady of Orange spent Sunday with the family of Dr. Caroline Paine-Jackman of 515 N. Kenwood Street.

Personals

Mrs. Amanda Hartley returned home today from a several weeks' visit in Yuma, Ariz., with a daughter.

W. C. Bradley of 523 Oak Street is very low with Bright's disease and anemia and no hope is held out for his recovery, Mrs. Bradley says.

Mrs. Della Fouthworth, William Marshall and Mr. and Mrs. Oscar Stees went by trolley to Mount Wilson Sunday and spent a delightful day in the snow.

Notices of Sycamore Canyon Road improvement work are being posted, but it will be at least two months before any contracts for actual work can be let, say officials.

Charlie Tummell of 121 Milford, one of the Evening News carrier boys, broke a big toe yesterday afternoon while playing at school. He will be prevented from riding a bicycle for a day or two.

Bert Cline yesterday took out a permit for the erection of a \$900 garage for Mr. Dowd at 618 North Jackson, for use as a temporary residence until he can build a house on the front of the lot.

Miss Florence L. Hedges of Long Beach came up yesterday to see her parents, Dr. T. M. Hedges and wife of 709 East Harvard, and transact some legal business. Dr. and Mrs. Hedges have both had influenza and are recovering very slowly from the after effects.

John Berry of 237 South Orange was able to sit up all day yesterday for the first time since he was taken down with pneumonia more than two months ago. An abscess in his side has given him a great deal of trouble lately, but this is getting better now.

The services at the West Glendale Methodist Church are being largely attended. Between fifteen and twenty young men and women have made definite decisions. Tonight Captain Ted Evans, the evangelist, will describe some of his thrilling experiences on the battlefields of France.

Dr. A. O. Dieterich was seen ambling down the streets this morning wearing a smile that betokened some pleasant event. On being interrogated he said he was on his way to buy a Ford, but it afterward transpired that the object of his quest was a baby cab for that 2½ months' old boy. And he demanded one in the Packard and Cadillac class, as nothing is too fine for the boy.

The fact that the colleges of Southern California are having a spring vacation this week is giving a number of young people of Glendale, including Marcella Miller, Philip Wernette, Martha Ray, Margaret Lusby and a number of others an opportunity to enjoy a good many spring pleasures. They are envied by pupils and teachers in our local schools who had to sacrifice their spring vacation to the "flu" epidemic.

Miss Hilda Inglehart, whose parents are intimate friends of Mrs. Adelaide Imler and Miss Cora Hickman, was married about ten days ago to Herman Williams, an ex-service man, who was overseas. The wedding took place at the new ranch home of Mr. and Mrs. Inglehart at Santa Ysabel, in San Diego county, and was a very pretty affair, the ceremony taking place in a bower of hyacinths, daffodils and other spring flowers. The bride has been frequently entertained at the Imler home and has quite a circle of acquaintances here.

UNIVERSITY EXTENSION MUSICAL WITH HARP
Alice Muma.....Mezzo Soprano
Esther Rhoades.....Harpist
Olga Orth.....Accompanist

Tuesday, March thirtieth, at the High School, these talented musicians will give a program of English and Shakespearean songs; harp solos; a series of Sea Chanties, songs originated by sailors at sea sung to the rhythm of their work; Negro Spirituals, and Scotch ballads which were sung to the harp hundreds of years ago. Tickets may be secured from Grammar school teachers. No war tax. 8 p. m. Children 25c Adults 50c

108 SOUTH BRAND BOULEVARD

Mrs. Wells, who has been the guest of her niece in Santa Barbara for a few weeks, is returning to the home of her sister, Mrs. J. H. Brady, on Wednesday of the present week.

Misses Gladys and Loeza Rice of San Bernardino are spending their spring vacation at the homes of their aunts, Mrs. F. W. Fenton of 606 West Vine, and Mrs. E. L. Willard, 117 South Jackson.

Mrs. J. B. McClellan of 126 North Central Avenue is leaving tonight for Oakland to visit her daughter, Miss Anabel McClellan, who is a student at Mills College. Mrs. McClellan expects to be away about ten days.

Mr. George Campbell and wife of Dallas, Texas, and Mrs. A. B. Tidwell of Bellflower, were dinner guests at the home of Mrs. Quackenbush, 1119 East Colorado, last night. Mr. Campbell is a cousin of Mrs. Quackenbush and of Mrs. N. H. Palmer. After dinner the guests were taken through Glendale and Pasadena by the hostess. Mr. and Mrs. Campbell leave today for their home in Dallas.

Mr. William Chappell who formerly owned a dry goods store in Glendale, was in town yesterday attending to some business matters. He is living at the Old Soldiers' Home in Sawtelle at present but expects to leave for Holden, Mo., in about two weeks, where he will visit his daughter, Mrs. A. B. Newland. He is taking Mrs. Chappell in hopes that she will recover her health more rapidly, as she has been ill for some months.

The many friends of Mrs. W. L. Andrews of 452 Pioneer Drive will be interested to know that she is now able to be out after a serious case of pneumonia which followed an attack of the influenza. She was brought home from the Glendale Sanitarium, where she had been for two weeks, on last Tuesday. On Wednesday Mr. Andrews also contracted pneumonia, so it was necessary to remove him to the sanitarium. He is getting along nicely and will be brought home the latter part of this week if his improvement continues.

BLAZING AUTO ENGINE PELTED WITH CLOUDS

A long line of motorists going south was held up just below Montrose Sunday afternoon by a blazing auto headed north. The hood was up and the flames were leaping high, while the two men of the party that had been occupying the machine were pelting the blazing engine with pieces of turf torn up from the side of the road. Others joined in and the fire was finally put out, thus averting an explosion.

FORTNIGHTLY BRIDGE CLUB

Players in the Fortnightly Bridge Club were entertained last Saturday evening most pleasantly by Mr. and Mrs. Francis W. Henry of Arden Avenue. The evening over the card tables was followed by the serving of a delicious supper by the hostess, her table being centered with iris. Mr. and Mrs. R. A. Puffer made the high scores of the evening and the company was entertained by the host with some of his jolly Scotch songs.

EIGHT MONTHS OF BUILDING IN GLENDALE

In the two blocks between California Avenue and Doran Street there are nine new houses on Kenwood, ten on Jackson and six on Isabel either finished or now in building. Each of these represents an outlay in excess of \$5,000 and one of over \$12,000. The total is not much below \$150,000 in this small territory. North of Doran and east of Brand are at least 20 more and on Patterson Avenue between Columbus and Pacific avenues there are twelve. And there are nearly 40 west of Pacific Avenue between

Broadway and the new park. These facts speak volumes for Glendale's advance in building during the past few months. And there have probably been as many more residences

constructed in the remaining parts of the city, besides more than \$200,000 worth of business and school buildings either completed or now in process of erection.

The Trout Season Opens April 1 and May 1

Trout fishing is dandy sport. You are going to enjoy it this spring, aren't you?

You will want to be completely equipped with the proper hooks, lines, bait, creel, etc., if you are going to get the limit of trout and the greatest enjoyment out of the trip.

**FOR ANYTHING
ELECTRICAL**
R. P. JODON, Glen. 1936 W

Advertise it, or advertise for it in
the Evening News.

FIRST BIRTHDAY CAKE

(Continued from Page 1)
them one inch long, side by side, if
in contact—impossible of accom-
plishment by humans, since they are
pure electricity and repel—would
contain 6,350,000,000,000.

The structure of an electron with-
in is unknown, but its external prop-
erty is an intense field of force,
electro-magnetic in its nature.
Whether an electron is a vortex in
the hypothetical, ever elusive and
mysterious ether is not known. But
this is known of them: They build
atoms of all the now known ninety-
two elements of matter. They are
nature's builders, carriers and
workers. They build nothing but
atoms.

Now, so far as the most refined
research, taxing the resources of
modern science to its limit, can de-
termine, these electrons either know
of knowledge within how to build
atoms or from knowledge without.
If without, the wisdom is excessively
near. The basic point is that the
work of building atoms is exerted
by a mental force. The closest
scrutiny at present is unable to de-
tect a third solution.

If electrons are directed from
without, the process is directivity.
If they act from mind force with-
in, this process is activity. These
two processes are all there is. But
see to what this line of reasoning
leads. If knowledge is within, then
mind and electricity are combined.
None is able to dispense with the
idea of mind being present, for the
numbers of electrons in the ninety-
two so-called elemental atoms have
been counted out from the cosmic
sea of electrons with unerring ac-
curacy. Humans can not count with
absolute precision; they make mis-
takes.

If mind and electricity are united
in electrons, then they are dual. If
mind is without electrons, duality
still obtains. The nature of mind
is unknown, likewise electricity.
Only by their effects can knowledge
be gained. The ultimate force be-
yond all visible and invisible phe-
nomena has not been discovered.
But the force behaves precisely as
if it were mind. Intelligence of the
highest conceivable grade is on dis-
play in the work of constructing at-
oms. But atoms have been counted,
separated from others and assem-
bled into ninety-two kinds of mole-
cules. Supreme intelligence is be-
hind molecule building as well as
the assembling of atoms from elec-
trons.

ALL ILLINOISANS ARE CALLED
TO GREAT REUNION

All who ever lived in Illinois are
called to meet for a great picnic re-
union, all day, Saturday, April 10,
1920, in Sycamore Grove Park, Los
Angeles. Come as early as you can
and spend the day with friends. We
will have county registers and head-
quarters so you can find the old
neighbors even with ten thousand
present. There will be a brief pro-
gram, opening about two o'clock,
but the main purpose will be to have
a good time.

DON'T
DESPAIR

If you are troubled with pains or
aches; feel tired; have headache,
indigestion, insomnia; painful pas-
sage of urine, you will find relief in

OWN YOUR OWN HOME

The Badge of
Home Ownership

Is One of the Greatest Honors That a
Man or Woman Can Wear

It Is a Sign of Good
Citizenship

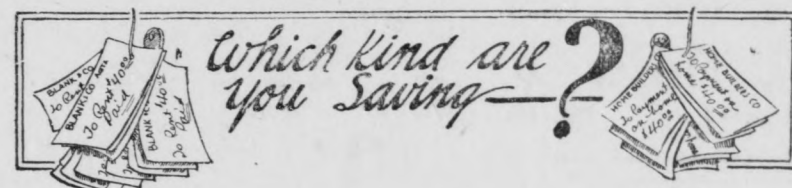

It is the decoration that brands the
wearer as thrifty, far-seeing and loyal to
family, to city and to his country.

The opposite does not necessarily apply
to the man who does not own his own
home. He may have the mistaken no-
tion that he can't afford to build, that it
is folly to do so while building costs are
high and that it is cheaper to rent.

This man may be working just as hard
as the man who owns his own home, in
order to provide for his family, and pay-
ing out his hard-earned cash for rent.

NOAH'S ARK

USED BY EVANGELIST AS TYPE
OF CHURCH IN STRONG
SERMON

The auditorium of the Christian
Church was filled again last night
when the song service began under
the direction of Mr. Cole. Follow-
ing a duet by Mesdames Mercer and
Pigg, Evangelist Root delivered his
sermon on "The Ark, a Type of the
Church." It was an unusually ef-
fective presentation of the plan of
salvation and was most forcibly laid
before the audience. Special em-
phasis was laid upon the text, "Thus
Noah did; according to all that God
commanded him, so did he."

Noah's salvation from the flood is
a type of the salvation offered
through Jesus Christ, the speaker
showed. Scripture authority was
used to prove that Noah and his
family, as well as humankind of to-
day were saved by God, by grace,
by faith, by repentance, by water,
and by separation from the worldly.
He proved that the ark is a type of
the church. Its construction of but
one kind of wood, a type of the in-
tended unity of the church; its one
window a type of the Bible the
church's only medium of receiving
light; the one door, a type of Christ
the "door of the sheep-fold."

Insistence that God expects im-
plicit obedience to His will now as
in Noah's time was stressed.

Tonight's meeting promises to be
a record service of the meetings
when Rev. Root will speak on
"Where Shall I Spend Eternity?"

Two more people took a stand for
Christ last night. Eleven have been
added to the church within the
week.

WEATHER FORECAST: Fair to-
night and Wednesday. No impor-
tant change in temperature.

STATEMENT OF THE OWNER-
SHIP, MANAGEMENT, CIRCULA-
TION, ETC., REQUIRED BY THE
ACT OF CONGRESS OF AUGUST
24, 1912.

Of Glendale Evening News, pub-
lished daily except Sunday at Glen-
dale (L. A. Postoffice) for April 1,
1920.

State of California)
County of Los Angeles) ss.

Before me, a Notary Public in and
for the State and county aforesaid,
personally appeared A. T. Cowan,
who having been duly sworn accord-
ing to law, deposes and says that he
is the editor and publisher of the
Glendale Evening News and that
the following is, to the best
of his knowledge and belief,
a true statement of the ownership,
management, the circulation, etc., of
the aforesaid publication for the

106-A East Broadway, Glendale

About Hair Tinting—

We treat hair which has been almost ruined by chemical
dyes and bring it out beautifully in any shade desired, and
guarantee it fully. We give a hot oil treatment combined with
the actinic rays of the Hermalite and vibrational massage
(Harper system) followed by a tar shampoo which stimulates
and is, in every way a curative treatment for the scalp, and
stops falling hair.

RELIABILITY

Rome was not built in a day—neither was any reliable
business institution.

The House of L. G. Scovern Co. stands on a solid founda-
tion—a principle of reliable service for particular people.

From the very beginning it has been our policy to maintain
a high standard in all service rendered—and high standard
does not mean high price; but it does mean the highest quality
possible at any specified price.
